

Unlock the power of **Cloud Technology** to manage your
Worldwide Registrations...

A **CEHTRA-designed** tool dedicated to your **regulatory compliance**

What is PRIMO ?

PRIMO stands for Principle Regulatory Information Management Organizer. PRIMO has been designed by our regulatory and IT experts to keep you up-to-date with regulatory compliance information for your projects.

A CEHTRA designed tool to allow:

- Sharing and secure storage of data
- Simultaneous access for client and CEHTRA
- Project management and planning
- Global regulatory data gap analysis to assist in designing testing strategies for all markets

Two licence options * :

PRIMO Basic

PRIMO Ultimate
